

Farmers , Agri-Entrepreneurs, Processors ...

# Do you need to make your fresh produce more marketable?

## The Namdevco Packinghouse is the place for you.

Our Packinghouse offers you a one stop facility where your produce is received, cleaned, sorted, graded and packaged for the local and export markets.

Packaging options include Clam Shell, Foam Tray, Plastic Bags, Ventilated Cartons, Meshed Bags and Bulk Packages

Services available include:

- Export - preparation, packaging, storage and quarantine inspection;
- Local Market - Supermarkets, Fast Food Restaurants, Health Institutions, Agro-Processors, etc
- Refrigerated storage facilities; and
- Value Added Product Development eg. Soup packs, cassava log packs, callaloo packs, chow mein packs, chunky vegetable packs, Pumpkin-based pepper sauce, ready to bake pone mix and fresh fruit salad

Call us to arrange a visit and see how our Packinghouse can best serve you.
